

Youth Scholarship Application

A limited number of scholarships are available from the Youth Scholarship Fund for youth attending Regional Camps, the Young Adult Retreat, The Leadership Gathering, Global Camp, and Asilomar. These scholarships cover part of the cost of these events.

This fund has been created and sustained by the work of youth and youth supporters within our movement, and is primarily funded by donors and the Youth Auction each year at Asilomar. Scholarships are available for children, teens and young adults, who attend as participants, not advisors. Scholarship funds may be used for registration fees, and in some cases, for transportation or other event related costs.

Scholarships are limited to one per program year per person (October-September). In other words, a person receiving a scholarship for Global Teen Camp may not also apply for an Asilomar scholarship the same year.

For 2010 Summer Camp, no more than 20 percent of the youth from each center will be awarded a scholarship. In other words, if there are 10 youth from your center, there will only be 2 scholarships awarded.

When you are awarded a grant, we ask that you find a way to “pay it forward”. You may do this by donating to the Youth Scholarship Fund in the future, by offering yourself in service to your church or community organization, or in other creative ways.

To apply, please fill out the application form, and send in by the due date, along with a signed recommendation from your Senior Minister, Youth Minister or a Staff Minister who knows you.

Due Dates:

Global Teen Camp 2010 May 1

Asilomar 2010 June 15

]Instructions to Ministers:

Please send an email or letter stating your support for this young person to attend this event. Send to Pat MacMillan at:

pmacmillan@religiousscience.org or mail to IYFM, 573 Park Point Dr., Golden, CO 80401.

Application for Youth Scholarship
